

MISSOURI MEDICAID DIABETIC SUPPLIES MANAGEMENT

Diabetic testing supplies are reimbursed through the Pharmacy Program, via Point-of-Sale system or a pharmacy paper claim form. DME providers may bill for diabetic testing supplies, by using a pharmacy paper claim form. These supplies are no longer reimbursed through the DME program. A listing of **Missouri Medicaid Diabetes Management Point of Sale Billable Products** follows:

Keto-Diastix Reagent® Urine Glucose-Acetone Combination Test, Strip	100	00193-2882-21

Not Limited to Abbott Laboratories, MediSense® Products:

- Alcohol Prep Pads
- Insulin Pen Needles

- This program will not affect Medicare/Medicaid eligible patients, as Medicare reimburses their diabetic supplies.
- Insulin pumps and pump supplies continue to be available only through a Prior Authorization process using the "Diabetic Supplies Prior Authorization Form." Claims for approved insulin pumps and pump supplies, billed for date-of-service March 6, 2004 and after, must be billed through the pharmacy program. These claims must be submitted on a HCFA-1500 claim form, with the appropriate HCPCS code, UB service modifier, and 62 (DME) provider number.

DSS/DMS
Pharmacy Program
6/8/2004

- Requests for products other than the referenced products are reviewed on an individual patient basis and evaluated for medical necessity. The authorized prescriber may request prior authorization, by calling the Pharmacy Help Desk at 800-392-8030, or by faxing the Diabetic Supplies Prior Authorization Form to 573-636-6470.
- There will be no changes in the co-payment requirements for diabetic supplies. Only syringes and insulin require co-payments.
- NDC numbers are required for the billing of diabetic supplies.
- For Nursing Home patients, diabetic testing supplies continue to be covered under the nursing home per diem rate and should not be billed to Missouri Medicaid. (State Regulation 13 CSR 70-10.010)
- Detailed pharmacy paper claim filing instructions may be reviewed at www.dss.missouri.gov/dms. Under “options at this site”, select “shortcut to list of forms” and then “pharmacy claim.” Under the pharmacy claim heading, choose “pharmacy.” The “page one” option will display the pharmacy claim form. The “instructions” option will include the detailed claim filing instructions.
- The pricing of diabetic supplies will follow the methodology being used for other pharmacy products.
- Any product related questions should be directed to Abbott Laboratories, MediSense® Products Customer Care at 1-800-527-3339.
